

Butte Countywide Continuum of Care  
Resource Mapping Agenda  
May 20, 2019  
Location = Butte College – Main Campus

Start	End	Item	Objective
9:00am	9:30am	Introductions, background, and project overview	The purpose is to create an agreed upon vision for moving forward, define issues, and know the strategy for obtaining outcomes. This is a system building process, used to align resources and policies in relation to specific system goals, strategies, and expected outcomes.
9:30am	9:50am	Level setting	Review the components of a Continuum of Care and how they work together to prevent and end homelessness
9:50am	10:50	Mapping of existing resources	Ensure that everyone has a complete picture of existing Butte County resources and they are all accurately captured.
10:50	11:20	Mapping of pipeline resources	What other resources are in the planning or development stage?
11:20	11:35	Snack Break	Grab a Snack
11:35	12:00	Identifying Gaps	Review what the data says about the need. Especially as it relates to people experiencing unsheltered homelessness and any sub-populations.
12:00	1:20	Priorities	How can the CoC best use new funding coming into the community? Can resources be redirected based on newly identified need? Can any resources be increased?
1:20	1:30	Closing and next steps	Make sure everyone understands what will happen after they leave this meeting.

**At 1:30 – please stay and grab a bite to eat the Butte College Cafeteria to continue any conversations in a more informal setting.**

**LUNCH IS NO-HOST**

**Snacks and Water will be available at the meeting**
