BCRHYTF MISSION STATEMENT

The BCRHYTF exists to find both temporary and permanent solutions to the problem of youth homelessness in Butte County. We hope that by expanding collaboration with local agencies, governments, service providers, schools and other organizations, we can provide a framework and network for finding and implementing those solutions. While advocating for homeless youth, we also hope to provide those youth with a voice and platform to advocate for themselves. BCRHYTF strives to be inclusive and respectful of the diverse range of ideas and experience of all those who make up our community.
