The Butte Countywide Homeless Continuum of Care (CoC) has transitioned the Lead Agency and Consolidated Applicant roles to the Homeless and Housing Branch of Butte County Department of Employment and Social Services (DESS). The planning grant proposal reflects goals and activities that will continue to promote an efficient and effective system.

The focus areas include maintaining a CoC System and supporting the CoC application activities. The Planning Grant will continue to support the CoC infrastructure.

The CoC system will be developed so that it is cohesive within and between the existing foundation of local CoC policies and priorities and the County system of policies and practices. In addition, the system will carefully scrutinize the results of the Consolidated Application and determine which improvements need to take place within the increased capacity of a team of professionals.

Some of the specific activities already identified are as follows:

- Examine the causes of racial disparities for those who are homeless in the county and develop strategies to prevent discrimination in housing and service delivery.
- Continue to develop new and modify existing forms to ensure they are nondiscriminatory and trauma responsive.

As the Consolidated Applicant, the planning grant funding will be used to:

- Mentor new staff in completing the annual Consolidated Application.

The proposed activities will be part of a larger system of evaluating compliance with HUD and local priorities between the grantees' submission of APRs and their renewal applications. A proposed schedule is as follows:

- Continue to update the Governance Charter (continuous)
- Maintain and grow a CoC member training series to ensure HUD compliance and adequate professional development of local CoC membership (continuous)
- Maintain and grow trainings related to the local HMIS and CES (continuous)
- Continue development of the CoC's new Equity Committee in accordance with HUD guidance related to racial disparities within the local CoC homeless services system (9-12 months)
- Develop, review and modify CoC forms for cultural competency and trauma responsive (3-6 months)
- Oversight of the annual Consolidated Application and Project Applications (9-12 months)

This management plan and progress will be presented to the CoC Council and Members who will provide continued monitoring.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The Lead Agency/Consolidated Applicant has match funding to hire staff with the expertise, availability, and access to evaluate CoC and ESG grantee outcomes.
