HUD'S FY 18 POLICY AND PROGRAM PRIORITIES

- ❖ **Ending homelessness for all persons.** -Identify, engage, and effectively serve everyone; Implement comprehensive outreach; Measure performance using local data; Use local data to understand characteristics of homelessness and develop housing and services; Use reallocation to create new projects that improve overall performance and better respond to local needs
- ❖ **Create a Systemic Response to Homelessness**—measure system performance; create effective coordinated entry system; promote participant choice; plan as a system; make the delivery of homeless assistance more open, inclusive and transparent.
- ❖ **Strategically allocating and using resources**—review project quality, performance and cost effectiveness; maximize mainstream resources. Maximize mainstream and community resources when serving persons who are homeless.
- ❖ **Use a Housing First approach.**

WHAT CAN BE FUNDED

The only components that will be funded in the FY 2018 CoC Program Competition are:

- Permanent Supportive Housing (PSH) dedicated to chronically homeless persons;
- Supportive Services Only (SSO-CE) project to operate a coordinated entry system.
- Rapid Rehousing (RRH) that serve homeless individuals and families including unaccompanied youth;
- HMIS

TRANSITION GRANTS PART OF REALLOCATION

Designed in response to
communities' requests for flexibility

- Use the reallocation process to reallocate the existing eligible renewal component to: PSH, RRH, Joint Component, HMIS, or SSO-Coordinated Entry projects
- The new project must be from the same grantee as the grant being eliminated; transition grants must be for 1 year
- Transition grants cannot also use the consolidation process
- Applicants for transition grants should not also apply for renewal under the old component type
