

# Butte Countywide Homeless Continuum of Care

Monday, May 16, 2022, 1:00 p.m. – 3:00 p.m.

All Member Meeting

Butte County Employment & Social Services

Zoom Link: <https://us02web.zoom.us/j/87287261258?pwd=SWXBN5E7wmSyJoPH7NiMeah6QvIym.1>

Join by Phone: +1 669 900 9128

Zoom Meeting ID: 872 8726 1258 Passcode: 902788

## COC COUNCIL MEMBERS:

Amber Abney-Bass	Ed Mayer	Keesha Hills	Sarah Frohock
Anastacia Snyder	Emily Pereira	Marie Demers	Steve Culleton
Angela McLaughlin	Eric Smith	Marin Hambley	Tami Ritter
Brad Brunner	John Mitchell	Meagan Meloy	
Don Taylor	Josh Jamison	Michael O'Brien	

CoC Coordinator: Briana Harvey-Butterfield

Recording: Erin Spasbo

## AGENDA

1. Convene Meeting and Establish Quorum A. Snyder
  - A) Virtual Meeting Format. Recording Meeting.
2. Approval of Minutes – **ACTION: Council Only** A. Snyder
  - A) CoC Council Meeting of April 18, 2022
3. HMIS Priority Points & Community Queues – **ACTION: All Voting Members** E. Rawlinson  
Presenting: Elisa Rawlinson, Chair of HMIS/CES Committee  
\*Using Survey Monkey for Voting
4. Point in Time and Housing Inventory Count Update – **INFORMATION** E. Rawlinson
5. DHCS Housing and Homeless Incentive Program (HHIP) – **INFORMATION** K. Kuntz  
Presenting: Kris Kuntz, Anthem, Inc.
6. Butte County Department of Employment & Social Services – **INFORMATION** Various  
Housing and Homeless Programs  
Presenting: Briana Harvey-Butterfield, Isabel Alaniz-Alvarado, Michael Wright, Nick Fashing, Sarah MacArthur and Patricia (Nike) Morris
7. Chico Pallet Shelter Update – **INFORMATION** A. Abney-Bass  
Presenting: Amber Abney-Bass, Jesus Center
8. Homeless Housing, Assistance and Prevention (HHAP) Round 3 – **INFORMATION** S. Morgado  
E. Murray  
Presenting: Sherry Morgado, Housing Tools and Erin Murray, DESS
9. Lead Agency, Collaborative Applicant, Administrative Entity Updates – **INFORMATION** D. Taylor  
B.H. Butterfield  
E. Murray

10. Committee Reports – *INFORMATION* *All*
11. Coalition and Jurisdiction Reports/Updates – *INFORMATION* *All*
12. Announcements *All*
13. Next Meeting – Monday, June 13, 2022: Council Member Meeting  
Butte County Department of Employment & Social Services to host Virtual Meeting
14. *ADJOURN*

Continuum of Care Meeting  
Virtual Meeting  
May 16, 2022 1:00 p.m. – 3:00 p.m.

## CoC Agenda Item #2:

### Approval of Minutes:

- A) CoC Council Member Meeting of April 18, 2022

## Butte Countywide Homeless Continuum of Care

### **BUTTE COUNTYWIDE HOMELESS CONTINUUM OF CARE COUNCIL MEMBER MEETING MINUTES**

**Monday, April 18th, 2022**

**1:00 P.M. to 2:00 P.M.**

**Zoom Hosted by Butte County Employment & Social Services**

#### **COUNCIL MEMBERS PRESENT:**

Tami Ritter, Butte County Board of Supervisors  
Anastacia Snyder, Catalyst Domestic Violence Services  
Don Taylor, Butte County DESS Housing & Homeless  
Marie Demers, City of Chico  
Keesha Hills, OSCIA  
Ed Mayer, Housing Authority of the County of Butte  
Sarah Frohock, Butte County Dept. of Behavioral Health  
Brad Brunner, Caminar  
Marin Hambley, Stonewall Alliance/Safe Space  
Amber Abney-Bass, Jesus Center  
Josh Jamison, Oroville Hope Center/Alternate  
Eric Smith, City of Oroville  
Emily Pereira, Youth for Change/6th Street  
Angela McLaughlin, Greater Chico Homeless Taskforce

#### **COUNCIL MEMBERS ABSENT:**

Steve Culleton, Town of Paradise  
John Mitchell, Christian Faith Center  
Meagan Meloy, Butte County Office of Education  
Michael O'Brien, City of Chico Council Member

#### **CoC COORDINATOR:**

ABSENT: Briana Harvey-Butterfield, DESS H&H

#### **OTHER ATTENDEES:**

Wendy Lo, DESS Housing & Homeless  
Leslie Johnson, CHAT  
Debbie Villasenor, Housing Consultant  
Erin Kennedy, Boys and Girls Club  
MaryJo Alonzo, City of Chico Housing Division  
Kathleen Sweeney, Tami Ritter's office  
Ann Winters, Catalyst  
Debra Lucero, County of Butte, Supervisor District 2  
Aimee Decker, Nations Finest  
Hilary Crosby, Safe Space

#### **OTHER ATTENDEES CONT'D:**

Nancy Jorth, Youth for Change  
Melissa Jamison, UWNC  
Erin Murray, DESS Housing & Homeless  
Kayla Davis, DESS Housing & Homeless  
Angie Little, HACB  
Pahua Thao, DESS Housing & Homeless  
Nicole Drummond, Executive Director CHAT  
Samantha Ott, DESS  
Samantha Davis, Ampla Health MMU  
Jennifer Wilking, CSU Chico  
Josiah Vasey, Butte/Glenn 2-1-1  
Patrick Telles, LSNC  
Tim Hawkings, CAA Butte  
Nick Fashing, DESS Adult Services  
Jay Coughlin, DESS Housing & Homeless  
Jessica Giannola, CHAT (CHAMP)  
Brian Boyer, CAA  
Nicole Moua, Department of Rehabilitation  
Cassie Miracle, Housing Tools  
Megan Averett, Youth for Change  
Theresa Nantor, CHIP  
Tara Sullivan-Hames, Butte-Glenn 211  
Teri DuBose - Congressman LaMalfa's office

#### **RECORDING:**

Kaitlyn-Storm Sherrill, DESS Housing & Homeless

**ORDER OF BUSINESS:**

- 1. CONVENE MEETING AND ESTABLISH QUORUM:** The meeting was called to order by Anastacia Snyder at 1:03 p.m. This meeting is being recorded. Roll call for Council Members was completed by Anastacia Snyder. It was determined there are enough Council Members for a Quorum. No field introductions were done. If you would like your name listed as an attendee please type your name and agency in the chat box.
- 2. APPROVAL OF MINUTES:** A motion was made to approve the CoC meeting minutes for;  
CoC Council Meeting of March 21st, 2022, with no changes.

Motion: Ed Mayer  
Second: Brad Brunner  
Opposed: None  
Abstain: Emily Pereira

**3. Butte Community Action Agency – INFORMATION,**

***Presenting: Tim Hawkins and Brian Boyer;***

Tim Hawkins (Chief Executive Officer) provides an overview of Community Action Agency's programs.

Community Action Agency runs the following:

The North State Food Bank- which provides nutritious food through commodities (in California; TEF- the Emergency Food Program) to 50+ partner agencies in Butte, Colusa, Glenn, Plumas, and Sierra Counties.

Tailgate Distributions- Where a large truck (26ft) is pulled up at a large accessible place and people drive thru or walk up and community action agency will load up their cars with food. This occurs almost weekly in Butte County and in the summer in the other counties as well.

Weatherization program- Retrofitting homes of Low Income neighbors which helps permanently reduce their expenses to power their homes. Examples of this are: insulation, replacing broken ducting, replacing windows, sealing homes, if there are cracks they install mechanical ventilation. This all helps reduce energy bills as well as making their homes safe. They also check for CO2 and install sensors. If they have an HVAC system or water heater that is broken they can also fix or replace them at no cost. Question: Can property owners who rent to Section 8 apply for weatherization on behalf of a renter? The home would be qualified by the renter. The landlord would need to do it with the renter. They can do this for Low Income owners or renters.

Utility Bills- In a year they can provide up to \$1,000.00 to get people caught up on their utility bills. Due to the pandemic they received some CARES funding related to this and while supplies last they can provide up to \$3,000.00 in assistance.

LIHWAP (Low Income Home Water Assistance Program) - This is a program that is coming up that can help people get caught up on their water bills. This can only help with people who owe money. They cannot put a credit on their bill.

530 Food Rescue program- This is in collaboration with Chico State, Center for Healthy Communities. This is in response to Senate Bill 1383 which mandates that cities and municipalities divert organics from their landfill. A piece of this mandates that they divert edible food to those that need it, Similar to what Feeding America does. Feeding America focuses on the big box chain stores. 530 Food Rescue will be focusing on the stores that Feeding America does not work with and will be getting into working with restaurants and bakeries. 530 Food Rescue Coalition app is available on the Google play and Apple App Store. Anyone in the community can participate in transporting food, restaurants and stores can sign up and post their food, and community based organization that serve food can obtain the food (Torres Shelter, Esplanade house and 6<sup>th</sup> street Youth Center are already on). If you are an organization that serves food to people- Contact CAA.

Question: Does an organization have to be 501c3 to receive food? – T.Hawkins states that he does not believe so.

Esplanade House-

Affordable Permanent Housing Side – Historically used for people who were graduating from the transitional housing side and had difficulty finding housing in the community which may have been due to higher barriers (previous evictions, credit history) and may have needed a longer time to address those issues. They have had good success moving people from the transitional side and out into the community so they have not been able to utilize all 34 apartments that they have in their affordable permanent side and they are planning to open that broader so that it is not just from the transitional side and others can apply as well and they can evaluate their applications. Currently, there are 3 one-bedrooms (\$904), 4 two-bedrooms (\$1,192), and 1 three-bedrooms (\$1,656) available. Families need to have children, be below 50% AMI, and have a voucher.

Transitional Housing Side- B.Boyer (Program Manager for Esplanade House) presents that this side is for families with children under the age of 18 and parents must have primary (51%) custody of their kids, they require drug testing of all adults upon entry and randomly after. They offer a lot of programming and classes (Topics include: Financial Literacy, Codependency, 12 step programs, dealing with past trauma, among others). Traditionally there is a waiting list of between 6 months to a year but right now it is a little shorter and with a complete application it could be about 3 to 4 months for someone to move in. Anyone who needs help or assistance should contact CAA directly.

#### **4. Chico Pallet Shelter Update- Information;**

*Presented by Amber Abney-Bass, The Jesus Center;*

Shelly and Amber started onboarding new employees today (04/18/2022). They expect to have an opening date by the end of this week. There was a site visit last week by plaintiff's council and they are processing the feedback and questions from that visit. They are now in procurement mode and acquiring all of the supplies

together and setting up and getting ready for folks. They are thinking of setting up a site visit and are asking that anyone who is interested reach out to Amber Abney-Bass.

**5. Statewide Homeless Survey – INFORMATION;**

***Presenting: Kara Young Ponder, PhD;***

Dr. Kara Young Ponder works for The Benioff Homelessness and Housing Initiative (BHII).

Dr. Ponder Young shared a power point regarding the “California Statewide Survey on Homelessness” included in the Agenda Packet. BHII is conducting a survey of Homelessness in Butte County to learn of some of the issues that may lead to homelessness and issues that may prevent people from becoming housed. This survey takes place from May 2<sup>nd</sup>, 2022- May 13<sup>th</sup> 2022. It is anticipated that data will be provided in the fall. The intention of the survey is to think about structural change and to inform in what is happening in California to use the data to advocate for policy changes at the federal, state, and local levels.

**6. Homeless Housing, Assistance and Prevention (HHAP) Round 3- Information;**

***Presented by Erin Murray with DESS and Cassie Miracle with Housing Tools;***

Erin Murray went over what the update to the 10- Year Strategy to End Homelessness will look like. The existing strategy is being updated to meet the statutory requirements of the HHAP 3 application. This includes reviewing several data points that are required for the application.

Data Points are as follows:

An analysis of current needs and demographics

An analysis of the people currently being served via various housing solutions

An analysis of current federal, state, and local funding as related to homelessness

The purpose is to get a good overall picture of what funding is already in place, who is already being served, and to better identify gaps in service. We will be obtaining this information through the Point in Time, HMIS, HDIS, The Housing Inventory Count, and anywhere else there is data available.

The HHAP 3 application also includes several outcome goals.

The goals include:

How will we reduce the number of persons experiencing homelessness?

Reduce the numbers of persons becoming homeless for the first time

Increase the number of people currently experiencing homelessness going into permanent housing

Reduce the length of time persons remain homeless

Reduce the number of persons who return to homelessness after exiting into permanent housing

Increase successful placements from street outreach

The outcome goals are important because we will potentially be awarded bonus funds if we reach our goals. The bonus funds consist of a total of \$180 Million that would be split between all the CoC counties/committees that received HHAP 3 funds that met their goal.

Once the tentative goals for the HHAP 3 application are decided they will be brought to both the CoC and the Board of Supervisors for as much input as possible prior to the submission of the goals.

Cassie Miracle from Housing Tools- Update regarding application process.

Housing Tools is supporting the CoC with 2 activities.

One of which is completing and submitting the HHAP 3 application to the State. C.Miracle has been going through the PIT and HMIS data. The State has given guidance to use the most complete and recent data. The other activity is focusing on the data analysis and creation of a written report for the 2022 PIT data. This is along with a longitudinal report that will go over about a decade of PIT data. C.Miracle reports that their scope of work has her producing the draft for the 2022 PIT report by the end of April 2022 and the draft of the longitudinal report by the end of May 2022.

#### **7. Lead Agency, Collaborative Applicant & Administrative Entity Updates- Information;**

Don Taylor reports that we will not be participating with the 100 Day Challenge. This is due in part to learning from the State that there would not be any additional resources for this challenge and also that the number of housing units available continues to pose a huge challenge to getting people into permanent housing. Although we had a good number of agencies and individuals volunteering the State required a greater number than we had.

D.Taylor states that the County was contacted by one of the Medi-Cal managed care plans, California Health and Wellness, who asked if the CoC would participate in some meetings to discuss and work with the managed care plans on a Housing and Homeless Incentive Plan (HHIP). The managed care plans may have some additional funding that may be available to assist to get people into housing through the DHCS in accordance with some of the regulation in the American Rescue Plan Act of 2021. The CoC executive team has been reached out to and they have had an initial conversation with California Health and Wellness regarding this and there will be a follow up meeting and more information will be provided as it becomes available.

#### **8. Committee Reports:**

- a. Governance- Postponed the meeting.
- b. HMIS-Working on revamping the Coordinated Entry process. Streamlining Coordinated Entry to meet with coming needs of programs and to be able to pull people off of Coordinated Entry in a more expedient manner.
- c. Chronic Homelessness- Next meeting is April 20<sup>th</sup> 1:30- 3pm, there will be a presentation from Truth North Housing Alliance.
- d. Youth Homeless- Updates regarding the Youth Advisory Council which is going really well and they are meetings twice a week right now on Thursday's and Friday's. They are hoping to get the group meeting once a week to have one larger group rather than 2 groups of youth doing different things at the different times. Next meeting is on May 11<sup>th</sup> at 12:30pm via zoom to start talking about November because planning these events take time to plan and to look at what events the Youth Advisory wants to take on as their projects.
- e. Veteran's committee-planning for the Butte County Veteran Stand Down which is a work in progress. The Stand Down will occur on September 29<sup>th</sup> and 30<sup>th</sup> and October 1<sup>st</sup>. Website is: [buttecountystanddown.org](http://buttecountystanddown.org) and if interested in volunteering please contact Cecily Kishbaugh, 707-496-2065 or [cecilykish@gmail.com](mailto:cecilykish@gmail.com). The Car Show at the Elk's Lodge on April 02, 2022 was sponsored by the Chico Concour's Elite and all proceeds went to local veterans in need, identified by the Veterans Of Foreign War's Veteran's relief fund. The last meeting on March 30<sup>th</sup>, 2022 had 2 agency presentations: Homing Psychiatry and Wellness given

by Dr. Lori LaRiviere MD and True North Housing Alliance given by Lisa Hedemark. Next meeting is Wednesday May 11th from 2pm to 3 pm.

- f. LGBTQ POC- Still meeting and work with HUD TA. As well as looking at some of the goals and values as a committee. The next meeting is on April 28<sup>th</sup> at 2pm.
- g. Point in Time- No update. C.Miracle with Housing Tools is working on compiling the data.

**9. Coalition and Jurisdictional Reports/Updates:**

- a. Greater Chico Task Force- Voting for officers at meeting on Thursday, April 21<sup>st</sup>, 2022 at 10am via Zoom. CHAT and Heart to Home will be doing a presentation.
- b. Oroville Coalition- Continue to help families and there is interest from the coalition to connect with the different housing projects that are coming online and the low income components of those projects.
- c. Oroville- Looking forward to the ideas recently presented by the Oroville Rescue mission.
- d. Chico- Letter was sent to Sacramento because Butte County along with nine other northern counties has worked to affiliate with COHS (County Organized Health System) and Partnership Health Plan of California. These 10 counties were recently granted conditional approval to join PHS in 2024. Working with the counties they serve PHS has a proven track record of reinvesting savings back into the communities such as increasing provider reimbursement, improving access, enhancing member benefits, and funding housing projects. The Kaiser proposal damages and undermines these systems. Kaiser is trying to come into the county and possibly create a single contract with a provider and it could harm the entire safety net system that we have been planning.

Letter is available here:

[https://buttecounty.granicus.com/MetaViewer.php?view\\_id=2&clip\\_id=1098&meta\\_id=168784](https://buttecounty.granicus.com/MetaViewer.php?view_id=2&clip_id=1098&meta_id=168784)

Disability Action Network was approached by SCAN (a national organization) to be part of a task force for aging in the North State. Tami Ritter and Debra Lucero will be attending these. It will be taking a hard look at aging across the state and particularly in our area. They will be reporting back regarding these meeting to this group.

**10. Announcements:**

- a. City of Chico the draft of their HUD Annual Action Plan will go to council on April 19<sup>th</sup>, 2022 at 6pm. The draft housing element will be brought to planning commission on June 2<sup>nd</sup> and then to council on June 21<sup>st</sup>. The City of Chico will be putting information regarding the permanent housing projects online when timing is appropriate.

**11. NEXT MEETING: Monday, May 16th, 2022**, Butte County Department of Employment and Social Services to host Virtual Meeting.

**12. Adjourned: 2:23 P.M.**

Continuum of Care Meeting  
Virtual Meeting  
May 16, 2022 1:00 p.m. – 3:00 p.m.

## CoC Agenda Item #3:

# HMIS Priority Points & Community Queues

## Priority Point Updates

### Core Elements of a Coordinated Entry System (CES):

- (1) access points use a standardized (2) assessment process to gather information on people's needs, preferences, and the barriers they face to regaining housing. Once the assessment has identified the most vulnerable people with the highest needs, the CoC follows established policies and procedures to (3) prioritize households for (4) referral to appropriate and available housing and supportive services resources ("projects").

The purpose of a Coordinated Entry System is to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, and connected to housing and homeless services based on their strengths and needs. It uses standardized tools and practices, incorporates a system-wide Housing First (no barriers to entry) approach, and, in an environment of scarce resources, coordinates housing support so that those with the most severe service needs are prioritized. Implementing Coordinated Entry is a federal requirement for several federal programs under the Department of Housing and Urban Development (HUD).

The Butte Countywide CoC and the Butte County CES use the Vulnerability Index - Service Prioritization Decision Assistance Tool (VI-SPDAT) to determine client's vulnerability/needs score. This assessment determines and ranks clients based on the following vulnerability types:

- 1) General
- 2) History of Housing & Homelessness
- 3) Risks
- 4) Socialization & Daily Function
- 5) Wellness
- 6) Family Unit (only scored on the VI-SPDAT for Families)

### Current Priority Points (points currently stack)

Prioritization of Chronically Homeless - 25 Points

Prioritization of At-Risk of Chronic Homelessness - 23 Points (Not currently in use)

Prioritization of Homeless Households with Children - 20 Points

Prioritization of Unaccompanied Homeless Youth - 20 Points

TOTAL possible Priority Points: 65 points

### HMIS/CES Committee Approved Priority Point Changes (points will continue to stack)

Prioritization of Chronically Homeless - 2 Points

Prioritization of At-Risk of Chronic Homelessness - 2 Points (Not currently in use, but in process of being added)

Prioritization of Homeless Households with Children - 1 Point

Prioritization of Unaccompanied Homeless Youth - 1 Point

TOTAL possible Priority Points: 4 points (client either receive Chronic Homeless OR At-Risk of Chronic Homelessness points)

Our current system prioritizes based on subpopulation and not based on vulnerability as directed by HUD. This can be seen in the examples on the next pages.

By changing the Butte County CES priority points the CoC will fall in line with HUD guidelines, prioritizing people with the highest needs based on the VI-SPDAT. Additionally, we will still utilize priority points for vulnerable subpopulations HUD and our community have determined are at higher risk and have higher needs while unhoused.

**Current List and Priority Points**

Unique ID	Enrollment Start Date	Veteran Status	Receiving Services for Mental Health	Are you a fire survivor?	SPDAT Score	Chronically Homeless	Priority Points added	Household with Children	Priority Points added	Unaccompanied Homeless Youth	Priority Points added	Priority Point Total

## Summary of Community Queue Workgroup and Recommendation

What we learned from Bitfocus and MA-506 (a Massachusetts community that uses Community Queues):

- Queues set up for housing program type (generalized queues like; PSH, TH, Shared Housing) are helpful and functional.
- Fewer queues are better as it allows for less, but more focused work, on the part of the 'matchmaker' or Housing Navigator who will be providing referrals to programs, housing and community partners.
- Ability to search queues based on "Tracked Characteristics".
  - o Tracked Characteristics allow for finding clients appropriate for programs based on program rules/needs; providing the appropriate questions are in our HMIS enrollment.
  - o Tracked Characteristics are built into system by IT staff. They pull from profile page and assessment page, NOT from the enrollment page.
  - o Tracked Characteristics can be used to search one queue at a time, or all queues at the same time.

How it will change CE:

- Enrollment page will be simple, minimal questions, and very quick. Allowing End Users and clients to immediately move to the Assessment. (Less likelihood of people enrolling in CE and not completing assessment)
- Assessment will have to be redone, but will include all information needed to determine queue placement and gather information needed to provide referral to programs.
  - o Example, BH questions, Veteran questions, etc. will be on assessment.
- Assessment will include all questions related to priority points, which will be scored and included in assessment score, meaning everyone will be scored the same, priority points will be given automatically allowing for equity, and only one score. (No more SPDAT score and total score.)
- Everyone who completes an assessment will be entered into General CE Queue allowing for using tracked characteristics.
  - o In addition there will be three other Queues.

Queues that were approved by the Workgroup.

- General CE
- PSH
- TH
- Shared Housing

<b>Total</b>	<b>244</b>	<b>174</b>	<b>588</b>	<b>1,006</b>

**Demographic summary by gender:**

Female	101	95	217	413
Male	140	79	362	581
Transgender	1	0	1	2
Questioning	0	0	2	2
Gender that is not singularly 'Female or Male'	2	0	6	8
<b>Total</b>	<b>244</b>	<b>174</b>	<b>588</b>	<b>1,006</b>

## CA-519 2022 Continuum of Care Homeless Assistance Programs Homeless Populations and Subpopulations

*Important Notes About This Data: This report is based on point-in-time information provided to HUD by Continuums of Care (CoCs) as part of their CoC Program application process, per the Notice of Funding Availability (NOFA) for the Fiscal Year 2020 Continuum of Care Program Competition. CoCs are required to provide an unduplicated count of homeless persons according to HUD standards (explained in HUD annual HIC and PIT count notice and HUD's Point-in-Time Count Methodology Guide <https://www.hudexchange.info/hdx/guides/pit-hic/>). HUD has conducted a limited data quality review but has not independently verified all of the information submitted by each CoC. The reader is therefore cautioned that since compliance with these standards may vary, the reliability and consistency of the homeless counts may also vary among CoCs. Additionally, a shift in the methodology a CoC uses to count the homeless may cause a change in homeless counts between reporting periods.*

### Demographic summary by race:

	Sheltered		Unsheltered	Total
	Emergency Shelter	Transitional Housing*		
Black or African-American	7	6	21	34
White	202	142	451	795
Asian	7	1	11	19
American Indian or Alaska Native Native	11	8	39	58
Hawaiian or Other Pacific Islander	1	0	7	8
Multiple Races	16	17	59	92
<b>Total</b>	<b>244</b>	<b>174</b>	<b>588</b>	<b>1,006</b>

### Summary of chronically homeless households by household type reported:

Chronically Homeless households with at least one adult and one child <sup>2</sup>	Sheltered		Unsheltered	Total
	Emergency Shelter	Transitional Housing*		
	0	0	0	0

### Summary of chronically homeless persons in each household type:

Chronically Homeless persons in households without children	68	0	256	324
Chronically Homeless persons in households with at least one adult and one child <sup>2</sup>	0	0	0	0
Chronically Homeless persons in households with only children	0	0	2	2
<b>Total Chronically Homeless Persons</b>	<b>68</b>	<b>0</b>	<b>258</b>	<b>326</b>

### Summary of all other populations reported:

Severely Mentally Ill	60	45	152	257
Chronic Substance Abuse	35	21	116	172
Veterans	9	5	39	53
HIV/AIDS	2	0	7	9
Victims of Domestic Violence	19	6	66	91
Unaccompanied Youth	8	14	19	41
Unaccompanied Youth Under 18	0	2	3	5
Unaccompanied Youth 18-24	8	12	16	36
Parenting Youth	2	3	0	5
Parenting Youth Under 18	0	0	0	0
Parenting Youth 18-24	2	3	0	5
Children of Parenting Youth	4	3	0	7

## CoC Agenda Item #5:

# DHCS Housing and Homeless Incentive Program (HHIP)

# DHCS Housing and Homelessness Incentive Program (HHIP)

Program Overview for Butte County CoC  
Continuum of Care Board Meeting  
5/16/22

---

# HHIP High-Level Overview

---

# HHIP Background & Overview

**Voluntary MCP (Managed Care Plan) Incentive Program:** Intended to support delivery and coordination of health and housing services for Medi-Cal members by:

- Rewarding MCPs for developing the necessary capacity and partnerships to connect their members to needed housing services; and
- Incentivizing MCPs to take an active role in reducing and preventing homelessness.

**Program Timeline:** 1/1/2022 – 12/31/2023, with funding available through 3/31/2024

**Total HHIP Incentive Funds:** \$1.288 billion one-time funds statewide\*

- DHCS determined maximum allocations per County based on a range of factors, including MCP membership, revenue, and county point-in-time (PIT) counts of homelessness as of 2019.\*\*
- MCPs, CoCs, and local housing stakeholders must collaborate to meet specific metrics for the MCP to receive the maximum amount of HHIP funds for the county from DHCS.
- DHCS will disburse incentive funds to MCPs, and MCPs will partner with CoCs and other community stakeholders to determine investment strategies.

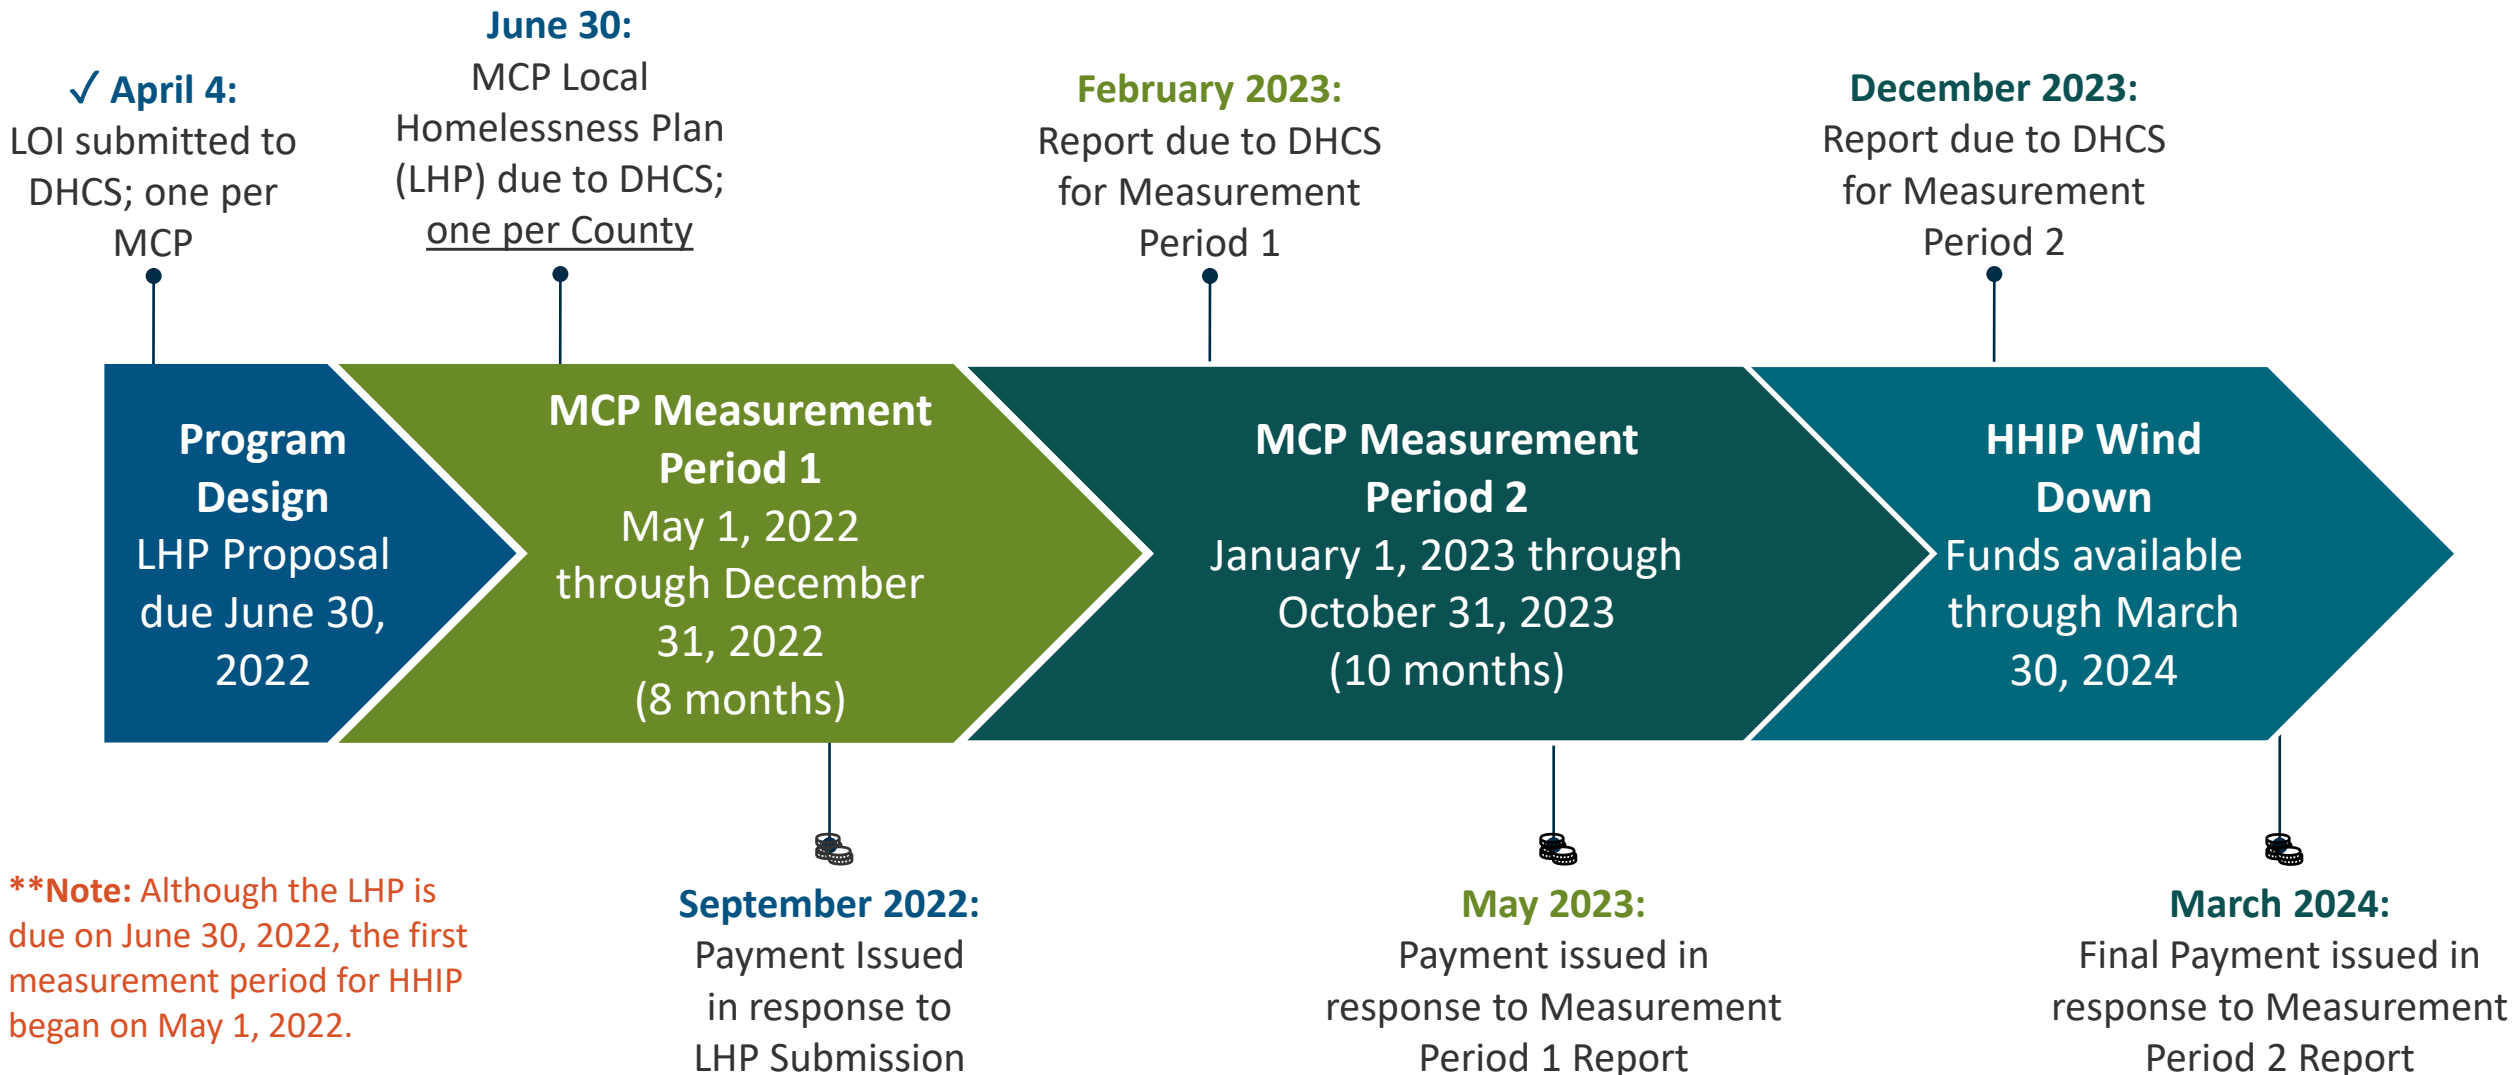

**April 4, 2022:** Letters of Intent were submitted to DHCS

**June 30, 2022:** Local Homelessness Plan (LHP), the full application, is due to DHCS; one per county

\* \$644 million in state funds [ARPA] + \$644 million in matching federal funding

\*\* Subject to the requirement of 42 Code of Federal Regulations (CFR) section 438.6(b)(2) that incentive payments not exceed five percent of the value of payments attributable to the enrollees or services covered by the incentive arrangement. DHCS may, at its discretion, use an updated PIT count as appropriate to redetermine the amounts for Program Year 2.

# HHIP Two-Year Timeline

---

# Local Homelessness Plan (LHP) due to DHCS on June 30, 2022

---

# Key Takeaways about the Local Homelessness Plan (LHP)

## LHP Structure and Content due June 30, 2022

### 1. MCP measurement across three priority areas:

- Partnerships and capacity to support referrals and services
- Infrastructure to coordinate and meet member housing needs
- Delivery of services and member engagement

### 2. MCP strategies to address identified housing and service gaps

### 3. Landscape analysis of MCP service area, including member demographics, needs, and gaps, in alignment with HHAP evaluation criteria

### 4. Identification of funding availability, in alignment with HHAP assessment of state, federal, and local funds available for homelessness-related services (aligns w/ HHAP-3)

- **One LHP is submitted per county to DHCS.** The single MCP application ensures we take a unified approach to addressing homelessness that aligns with the HHAP-3 priorities.
- **MCPs are responsible for compiling and submitting the LHP,** using insight and input from the CoCs and other housing stakeholders. CoCs will need to provide HHAP-3 data and narrative information related to CES, HMIS, and the 2023 PIT Count.
- **MCPs do not have to allocate funds for the LHP.** Instead, we will describe our strategies to engage with CoCs and the housing landscape for the two program periods (May 2022 to October 2023).

---

# HHIP Program Measures

---

# Overview of HHIP Program Measures

To draw down funds, MCPs must demonstrate progress toward 15 program measures determined by DHCS. MCPs will outline strategies to address these priority areas in the LHP and share our progress to achieving these program measures in subsequent reports. **Four of those program measures align with CoC activities:**

1. **Engage with the CoC**, including, but not limited to attending all Board Meetings, joining the board or participating in CoC subgroups and workgroups (if capacity allows), or attending CoC webinars
2. **Connect and integrate with the local homeless Coordinated Entry System (CES)**
3. **Connect with the local Homeless Information Management System (HMIS)**
4. **Support the collection of the January 2023 Point in Time (PIT) Count**

# DHCS HHIP Program Measures

<b>Priority Area 1: Partnership and Capacity to Support Referrals for Services</b>	<b>Priority Area 2: Infrastructure to Coordinate and Meet Member Housing Needs</b>	<b>Priority Area 3: Delivery of Services and Member Engagement</b>
<p>1.1 Engagement with CoC, such as, but not limited to: attending CoC meetings, joining the CoC board, subgroup or workgroup, and attending CoC webinars. <i>Throughout HHIP, CoCs will respond to surveys administered by DHCS to verify MCP engagement.</i></p>	<p>2.1 Connection with street medicine team providing healthcare for individuals who are homeless <b>Priority Measure**</b></p>	<p>3.1 Percent of MCP Members screened for homelessness/risk of homelessness</p>
<p>1.2 Connection and integration with the local homeless Coordinated Entry System <b>Priority Measure**</b></p>	<p>2.2 MCP connection with the local Homeless Management Information System (HMIS) <b>Priority Measure**</b></p>	<p>3.2 MCP Members screened for homelessness/risk of homelessness transitioning from inpatient settings or have been to the emergency department for services two or more times in a 4- month period</p>
<p>1.3 Outreach and engagement efforts and approach to provide housing-related Community Supports services that MCP members who are experiencing homelessness need and are not receiving</p>	<p>2.3 MCP process for tracking and managing referrals for housing-related Community Supports offered during the measurement period, including:</p>	<p>3.3 MCP efforts to support the CoC in the collection of point in time (PIT) count of members determined as homeless</p>
<p>1.4 Partnerships with counties, CoC, and/or organizations that deliver housing services (i.e., interim housing, rental assistance, supportive housing, outreach, prevention/diversion) with whom the MCP has a data sharing agreement that allows for timely exchange of information and member matching <b>Priority Measure**</b></p>	<ol style="list-style-type: none"> <li>1. Housing Transition Navigation</li> <li>2. Housing Deposits</li> <li>3. Housing Tenancy and Sustaining Services</li> <li>4. Recuperative Care</li> <li>5. Short-Term Post-Hospitalization Housing</li> <li>6. Day Habilitation Programs</li> </ol>	<p>3.4 MCP Members in the ECM Population of Focus (“Individuals and Families Experiencing Homelessness”) receiving at least one housing related Community Supports, including:</p> <ol style="list-style-type: none"> <li>1. Housing Transition Navigation</li> <li>2. Housing Deposits</li> <li>3. Housing Tenancy and Sustaining Services</li> <li>4. Recuperative Care</li> <li>5. Short-Term Post-Hospitalization Housing</li> <li>6. Day Habilitation Programs</li> </ol>
<p>1.5 Data sharing agreement with county MHPs and DMC-ODS (if applicable)</p>		<p>3.5 MCP Members who were successfully housed <b>Priority Measure**</b></p>
<p>1.6 Partnerships and strategies the MCP will develop to address disparities and equity in service delivery, housing placements, and housing retention (Aligns with HHAP Round 3 Application)</p>		<p>3.6 MCP Members who remained successfully housed <b>Priority Measure**</b></p>

---

# Next Steps for CoC and MCP Engagement

---

# Next Steps

**MCPs and CoCs have less than two (2) months to define the county strategies to include in the MCP Local Homelessness Plan (LHP) due June 30, 2022 – which is the same deadline for HHAP-3 applications. With overlapping deadlines in mind, here is our proposed timeline for the next two months:**

## **1. Now through May 31:**

- MCPs and CoC to define HHIP strategies and share the HHAP Round 3 data needed for the LHP. This will include discussions on local county needs and required engagement related to the CoC Governing Board, CES, HMIS, and the 2023 PIT Count.
  - MCPs will write the application itself, so we hope to define strategies by the end of May to ensure our internal staff have ample time to compile the LHP.
- MCPs will collaborate with the CoC to obtain the HHAP Round 3 data that MCPs must include in the LHP.

## **2. Throughout May and June:**

- All MCPs will attend monthly CoC Board Meetings and partner with CoCs to share our HHIP strategies with the community at CoC stakeholder forums.

## **3. By June 30: MCPs to submit LHPs to DHCS**

---

## DESS Housing and Homeless

- Housing and Disability Advocacy Program (HDAP)

HDAP provides disabled homeless adults intensive case management, disability benefits advocacy and assistance moving into rental housing.

## HDAP

### Who is Eligible?

- Potential HDAP clients need to have a physical or mental disability that makes them likely eligible to apply for disability benefits and are homeless or at imminent risk of homelessness
- Participation in the program is voluntary and enrolled individuals may exit at any time

## HDAP

### Services we can provide

- Assistance finding and securing housing
  - Examples include: cost of applications, deposits, and move in costs
- Provide rental assistance while enrolled and actively participating in the program
- Assist individuals with applying for and navigating the Social Security and Veteran's benefits process
- Intensive Case Management
- Bus Passes
- Furniture, bedding and other housing items needed
- Referrals to and ongoing coordination with other agencies and community resources

## HDAP

### How to enroll

- Call and get on the Coordinated Entry List

Note: If the individual is on the Coordinated Entry List and hasn't been in contact for more than six months, they should call again and update their information as their circumstances may have changed, increasing their score

## HDAP

For More Information about HDAP:

## DESS Services

- Home Safe Adult Protective Services Program (HSAPS)

HSAPS assists Adult Protective Services clients who are experiencing, or at imminent risk of experiencing, homelessness. HSAPS implements prevention and diversion services including **housing stabilization, housing navigation, case management, short-term financial assistance** and **referrals to appropriate providers** for longer term services to promote housing stability.

## HSAPS

### Program Background

- Home Safe was established as a Pilot Program in 2018 with a \$15 million one-time appropriation awarded to 25 grantees
- Butte County was one of the original grantees of the program
- The Budget Act of 2021 expanded the program to all counties in California and extended the program through 2024

## HSAPS

### Who is Eligible?

- An Individual who meets all of the following conditions:
  - Is an Adult Protective Services (APS) client, or is in the process of intake to APS
  - Is homeless or at imminent risk of homelessness
  - Voluntarily agrees to participate in the program

## HSAPS

### APS Criteria

- APS serves elder adults (60 years and older) and dependent adults (18-59 with physical or mental limitations) when these adults are unable to meet their own needs or are victims of abuse, neglect and exploitation.

### Types of Abuse

**Physical, Sexual, Abandonment, Isolation,  
Financial, Neglect and Self-Neglect**

## HSAPS

### Interventions

- **Enhanced Case Management** (Intensive, longer-term)
- **Housing Stabilization** (connection to legal assistance, eviction prevention, hazard removal, deep cleaning)
- **Housing Navigation** (housing search, application assistance)
- **Housing Direct Financial Assistance** (rental assist, security deposit, housing rehabilitation, temporary housing)
- **Connections to Longer-Term Supports** (referrals and coordination of services within community)

## HSAPS

- Home Safe numbers to date:
  - 44 Individuals enrolled into the program
  - \$2,146 – Average amount per person who received Direct Financial Assistance
  - Top three most common intervention services
    - ✦ Enhanced Case Management
    - ✦ Direct Financial Assistance
    - ✦ Emergency Shelter
  - 21 Individuals remained housed, 10 from homeless to housed (6 of those to SNF), 9 active - not exited

## HSAPS

Adult Protective Services (APS)

**1-800-664-9774**

## DESS Services

- Bringing Families Home (BFH)

BFH was established to reduce the number of families in the child welfare system experiencing or at risk of homelessness, to increase family reunification and to prevent foster care placement. Services include case management, housing navigation, short-term financial assistance, making homes habitable and other services.

## BFH

### Who is Eligible?

- Families involved in the Child Welfare System who are:
  - Experiencing literal homelessness
  - Are at imminent risk of homelessness
  - Voluntarily agree to participate in BFH services

## BFH

### How Does it Work?

- BFH utilizes a wraparound model as follows:
  - BFH families work with their assigned Children's Services Division (CSD) social workers to meet their case plan requirements
  - CSD contracts with Lilliput (a part of Wayfinder Family Services) to provide additional case management services related to basic needs, housing, parenting, etc.
  - BFH families are assigned a Housing Navigator through the Housing and Homeless branch to help them attain permanent housing

## BFH

### BFH Housing Data to Date:

- 46 families have been enrolled in the program
- 20 families have been permanently housed (43%)
- 11 families are in the process of attaining permanent housing (24%)
- 15 families have exited without attaining permanent housing (33%)

## DESS Employment and Eligibility

- CalWORKs Homeless Assistance Program (HA)

HA services eligible CalWORKs recipients or apparently eligible CalWORKs applicants who are homeless or at risk of homelessness. Can provide for up to 16 consecutive days of temporary shelter, first/last month's rent and security deposit, or up to two months rent arrearages.

## HA

- Temporary HA

(helps families pay the costs of temporary shelter)

- 16 days of temporary shelter including hotel or motel costs (\$85 per day for a family of four or fewer, plus \$15 for each additional family member, up to \$145 daily)
- Can be used, as needed, throughout a 12-month period of eligibility (no longer required to be consecutive days)
- Limited to once every 12 months with the following exceptions: domestic violence, uninhabitability of the former residence caused by sudden or unusual circumstances, or a medically verified physical or mental illness
- Can be used in rental situations
- Can be provided to CalWORKs parents engaged in family reunification

## HA

- **Expanded HA**

(helps families experiencing homelessness due to domestic violence)

- Up to 32 days of expanded temporary shelter including hotel or motel costs (\$85 per day for a family of four or fewer, plus \$15 for each additional family member, up to \$145 daily)
- For CalWORKs applicants who are victims fleeing domestic abuse, without regard to the income or assets of the abuser
- Eligibility updated from once in a lifetime to once in a 12-month period

## HA

- **Permanent HA**

(helps families secure housing or prevent eviction)

- Security deposit and last month's rent or 2 months arrearages to prevent eviction
- Families may also receive temporary and permanent HA payment if a State or Federally declared natural disaster is the direct and primary cause of homelessness (this includes COVID-19)

## HA

The Homeless Assistance Program is administered through CalWORKs Eligibility Department at the County level

To apply for benefits you may submit an application:

- Online: [benefitscal.org](http://benefitscal.org) or [getcalfresh.org](http://getcalfresh.org)
- By Fax: 530 538 6918
- By Mail: PO Box 1649, Oroville, CA 95965
- By Phone: 1 877 410 8803

## DESS Employment and Eligibility

- CalWORKs Housing Support Program (HSP)

HSP provides financial assistance and supportive services to CalWORKs families. Services include, but are not limited to: rental assistance, security deposits, utility payments, moving costs, hotel/motel vouchers, landlord recruitment, case management, housing outreach and placement, legal services, and credit repair.

## HSP

- State funded, locally administered in which counties provide housing-related supports to eligible families experiencing homelessness in the CalWORKs program
- Offers financial assistance and housing-related wrap-around supportive services
- HSP follows a Housing First model and evidence-based housing interventions
- Assists families in securing and maintaining permanent housing as quickly as possible without preconditions
- Housing is not contingent upon participation in services

## HSP

Outcome Goal #1a: Reducing the number of persons experiencing homelessness.		
Annual estimate of number of people accessing services who are experiencing homelessness	Outcome Goals July 1, 2021 - June 30, 2024	
	Decrease/Increase in # of People	Decrease/Increase as % Change from Baseline
1,829	Increase by 91 people	5% increase
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
<p>People who identify as Black are disproportionately over-represented in those experiencing homelessness overall (1.9% of County population but 6.8% of those experiencing homelessness); people who identify as American Indian/Alaskan Native are also disproportionately over-represented (2.5% of the County population but 3.7% of those experiencing homelessness). Although the baseline data did not show these groups as under-served relative to their incidence in the total population experiencing homelessness, local knowledge and experience indicates that these two groups, as well as those who are Hispanic/Latino are underserved and not connected to services. In addition, the baseline data indicate that those with significant mental illness are underserved relative to their incidence in the total population experiencing homelessness.</p>	<p>30% of the increase in persons accessing services will be attributable to those who identify as Black, American Indian/Alaskan Native and/or Hispanic Latino . 15% of the increase in persons accessing services will be attributable to those with a significant mental illness. Individuals may be part of both targeted groups.</p>	

Outcome Goal #1b: Reducing the number of persons experiencing homelessness on a daily basis		
Baseline Data: Daily Estimate of # of people experiencing unsheltered homelessness	Outcome Goals July 1, 2021 - June 30, 2024	
	Reduction in # of People	Reduction as % Change from Baseline
838	Reduce by 50 people	6%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
<p>The baseline data shows that while those who identify as American Indian/Alaskan Native make up 3.7% of the total population experiencing homelessness, they account for 8.6% of those experiencing unsheltered homelessness, a disproportionate impact. Local service provider knowledge and experience also indicates that in general, those who identify as BIPOC experience disproportionate impacts related to being sheltered. The baseline data also shows that Unaccompanied Youth experience disproportionate impacts in sheltering, as they make up .4% of the homeless population but 6.5% of those who are unsheltered.</p>	<p>30% of the reduction in unsheltered homelessness will be attributable to those who identify as BIPOC. 5% of the reduction will be attributable to those who are Unaccompanied Youth. Individuals may be part of both targeted groups.</p>	

Outcome Goal #2: Reducing the number of persons who become homeless for the first time.		
Baseline Data:	Outcome Goals July 1, 2021 - June 30, 2024	
Annual Estimate of # of people who become homeless for the first time	Reduction in # of People	Reduction as % Change from Baseline
834	Reduce by 41 people	5%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
The baseline data shows that the following groups experience disproportionate impacts in first-time homelessness: women/girls (40.6% of homeless population but 44% of first time homeless), Hispanic/Latino (14.7% of homeless population but 16.1% of first time homeless), American Indian/Alaskan Native (3.7% of homeless population but 4.7% of first time homeless), Unaccompanied Youth (.4% of homeless population but 6.1% of first time homeless), and Households with only Children Present (.3% of homeless population but 8.8% of first time homeless). In addition, local knowledge and experience indicates that the elderly and those with disabilities are also disproportionately represented in those experiencing first-time homelessness.	50% of the decrease in first time homelessness will be attributable to individuals who identify in at least one of the disproportionately affected groups.	

Outcome Goal #3: Increasing the number of people exiting homelessness into permanent housing.		
Baseline Data:	Outcome Goals July 1, 2021 - June 30, 2024	
Annual Estimate of # of people exiting homelessness into permanent housing	Increase in # of People	Increase as % Change from Baseline
367	Increase by 37 people	10%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
The baseline data shows that those with significant mental health challenges should be a focus for this Goal, as they represent 32.2% of the homeless population but only 22.2% of those who exit homelessness into permanent housing. Local knowledge and experience also indicates that those on a fixed income, such as the elderly, those with disabilities and single households are challenged to exit homelessness, mostly due to the lack of affordable units that are appropriate for them in terms of unit size.	10% of the increase will be attributable to those with significant mental health challenges and/or are elderly, disabled, or a one person household.	

Outcome Goal #4: Reducing the length of time persons remain homeless		
Baseline Data: Average length of time (in # of days) persons enrolled in street outreach, emergency shelter, transitional housing, safehaven projects and time prior to move-in for persons enrolled in rapid rehousing and permanent housing programs"	Outcome Goals July 1, 2021 - June 30, 2024	
	Decrease in Average # of Days	Decrease as % Change from Baseline
127	7 days, decreased to 120 days	5.50%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
The baseline data shows that women, those who are Black, Multiple Races, Parenting Youth and those households where at least one child is present experience a higher than average number of days before they exit from homeless services into permanent housing. For example, those who are Black are homeless 21% longer and Parenting Youth are homeless 53% longer than the average for all persons experiencing homelessness. Local service provider data and experience also indicates that the elderly, disabled, those with mental illness, and all BIPOC persons experience longer than average lengths of homelessness before they enter permanent housing.	Persons who identify as BIPOC, Parenting Youth, Households with at least one child, the elderly, disabled, those with a mental illness will experience a decrease from their respective 2020 baseline figures of 7 days.	

Outcome Goal #5: Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing.		
Baseline Data: % of people who return to homelessness after having exited homelessness to permanent housing	Outcome Goals July 1, 2021 - June 30, 2024	
	Decrease in % of People who return to Homelessness	Decrease as % Change from Baseline
10%	9.50%	0.50%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
The baseline data indicates that women, those who are Black or Multiple Races, DV survivors, those with substance use disorders, those with HIV/AIDS and households with only children exceed the baseline of 10%. For example, 24% of those who are black return to homelessness, 20% of those with substance use disorders return to homelessness and 100% of those with HIV/AIDS return to homelessness. Local service provider knowledge and experience also indicates disproportionate impacts in returning to homelessness for those with a mental illness, fixed incomes and the BIPOC population in general.	33% of the decrease will be attributable to people who identify with one of the disproportionately affected groups.	

Outcome Goal #6: Increasing successful placements from street outreach.		
Baseline Data: Annual # of people served in street outreach projects who exit to emergency shelter, safe haven, transitional housing, or permanent housing destinations.	Outcome Goals July 1, 2021 - June 30, 2024	
	Increase in # of People Successfully Placed from Street Outreach	Increase as % of Baseline
0	100	100%
Describe Your Related Goals for Underserved Populations and Populations Disproportionately Impacted by Homelessness		
Describe any underserved and/ or disproportionately impacted population(s) that your community will especially focus on related to this Outcome Goal and how this focus has been informed by data in your landscape assessment:	Describe the trackable data goal(s) related to this Outcome Goal:	
While no baseline data is available for this Goal, local service provider knowledge and experience indicates that generally, people who are BIPOC, those with a significant mental illness and youth are disproportionately underserved.	20 of the 100 people will be those who identify as BIPOC, have a significant mental illness, or are youth	

Strategy	Performance Measure to Be Impacted
<b>Description</b>	<p>Increasing the number of people exiting homelessness into permanent housing.</p> <p>Reducing the length of time persons remain homeless.</p> <p>Reducing the number of persons who return to homelessness after exiting homelessness to permanent housing.</p> <p>Focused on equity goals related to underserved populations and populations disproportionately impacted by homelessness.</p>
Maintain and expand the daytime case management services at both congregate and non-congregate shelters through the provision of Operating Subsidies. Case management and housing readiness services are critical to assisting those who have been living unsheltered so that they can take full advantage of permanent housing opportunities and maintain that housing.	
<b>Timeframe</b>	
July 2022-June 2024	
<b>Entities with Lead Responsibilities</b>	
Butte County DESS, True North Housing Alliance, Other Shelter Providers	
<b>Measurable Targets</b>	
Reduce the number of returns to homelessness after successful placement by .5%	

Strategy	Performance Measure to Be Impacted
<b>Description</b>	<p>Increasing the number of people exiting homelessness into permanent housing.</p> <p>Reducing the length of time persons remain homeless.</p> <p>Increasing successful placements from street outreach.</p> <p>Focused on equity goals related to underserved populations and populations disproportionately impacted by homelessness.</p>
Fund Street Outreach staff in heavily impacted communities such as Chico and Oroville, and expand outreach to underserved areas such as The Ridge (Paradise/Magalia) and Gridley. Ensure that outreach to unaccompanied youth continues at current levels.	
<b>Timeframe</b>	
July 2022-June 2024	
<b>Entities with Lead Responsibilities</b>	
Butte County DESS, Youth for Change	
<b>Measurable Targets</b>	
Increase total number served from 0 to 100 with street outreach programs	

Strategy	Performance Measure to Be Impacted

Continuum of Care Meeting  
Virtual Meeting  
May 16, 2022 1:00 p.m. – 3:00 p.m.

## CoC Agenda Item #9:

# Lead Agency, Collaborative Applicant, Administrative Entity Updates

CESH Rapid Rehousing Funds Information

# California Emergency Solutions and Housing

Rapid Rehousing Funds available through Butte County Department of Employment and Social Services

Both individuals and families experiencing homelessness and housed individuals and families at risk of homelessness may qualify.

Eligible Uses:

- Rent (current and up to 6 months in arrears)
- Rental Application Fees
- Security Deposit
- Utility Deposit
- Utility Payments (up to 6 months in arrears)
- Moving Costs
- Temporary Storage (up to 3 months)
- Housing Search and Placement
- Credit Repair (does not include repayment of debt)
- Furnishings
