

# Welcome All Lead Entities

**THIS IS A  
CONVERSATION**

**LET'S LISTEN  
LET'S ENGAGE  
LET'S PARTNER**

# Collaborating to End Homelessness

Let's emphasize coordination among all service providers who work with the homeless. Case managers, Street Outreach, Health workers, Landlords, Agencies, Advocates, Developers who once worked independently are now collaborating so that people receive the right level of services that will help them get housed and stay housed.

Before the Collaborating Countywide :  
Duplication, Multiple Plans, Multiple Case  
Workers

After the Collaborating Countywide:  
Coordinated Process, Better use of  
Resources, Less Overhead

**INDIVIDUAL COMMITMENT  
TO A GROUP EFFORT -  
THAT IS WHAT MAKES  
A TEAM WORK,  
A COMPANY WORK,  
A SOCIETY WORK,  
A CIVILIZATION WORK.**

# Instructions to the Reviewers

- This is a competitive application process, all applications are competing against each other, not just like projects against each other
- How well does the application align with State Goals and Local Priorities
- How well will the entity/agency be able to meet The State of California reporting requirements? These at minimum:
- Unduplicated number of homeless or persons at imminent risk of homelessness served.
  - Instances of Service per Individual
  - Increases in capacity for new and existing programs.
  - The number of unsheltered homeless persons becoming sheltered.
  - The number of homeless persons entering permanent housing.
- The State has very specific requirements in their contract; does the application present itself in a way to ensure compliance to these requirements?
- Are the Costs for all items in the budget (Personnel, Rentals, Construction etc.) reasonable
- Is there a strong financial capacity currently in place or a solid plan demonstrated in the application

The CoC does reserve the right to adjust a budget or a scope of work, allowing for options to fund a partial project.
